Our Team - Founder

With two decades of rich experience in the Freight Forwarding industry, **Amruta Surve**

has established herself as a seasoned professional and accomplished leader. Her extensive expertise in Third Party Logistics (3PL) supply chain management services has been honed through years of working with top-tier multinational logistics and supply chain companies.

The in-depth knowledge and hands-on experience have enabled her to consistently orchestrate seamless and efficient global logistics operations. Her ability to optimize supply chains has delivered exceptional value to her clients, making her a trusted name in the field.

- **Expertise in 3PL Services:** Deep understanding of third-party logistics, enabling effective management of end-to-end supply chain processes.
- **Global Logistics Operations:** Proven track record of managing and optimizing logistics on a global scale, ensuring timely and cost-effective solutions.
- **Client Value Delivery:** Known for delivering exceptional value to clients through strategic planning and execution, resulting in enhanced operational efficiency and client satisfaction.

Amruta's professional journey reflects a blend of strategic insight and practical know-how, and her commitment to excellence and client-centric approach continues to drive her success in the industry.

Our Team - Co Founder

Experienced Senior Manager in Fire Safety, now transitioning into entrepreneurship as a Co-Founder in the Freight Forwarding and Logistics industry.

Avinash Palekar

is bringing over two decades of expertise in risk management, emergency response, and industrial safety within high-stakes environments like the world's largest grassroots refinery and petrochemical complex.

- Proven ability to design, commission, and establish sustainable emergency response and incident management systems, ensuring operational resilience in dynamic industries.
- Adept at HAZOP studies, fire protection system design reviews, and safety compliance, with a strong foundation in regulatory auditing (ISO 45001 & ISO 14001).
- Leveraging deep expertise in risk mitigation, crisis management, and safety compliance to add strategic value to freight forwarding operations—ensuring secure, efficient, and regulatory-compliant logistics solutions.
- A visionary leader committed to embedding safety-driven innovation into logistics, optimizing supply chain reliability, and enhancing operational sustainability.

Our Team - Co Founder

Capt. Anoop Thankachan brings over 15 years of expertise in offshore shipping, marine logistics, and oil & gas operations. With a proven track record in managing vessel operations, harbor traffic, regulatory compliance, and offshore logistics, he plays a crucial role in ensuring smooth and efficient operations for clients.

His leadership and strategic approach in maritime supply chains guarantee seamless processes, minimizing delays and optimizing efficiency.

- **Expertise & Contributions: Optimized Marine & Offshore Operations** – Ensures smooth vessel movements, cargo handling, and compliance, minimizing delays and disruptions for clients.
- **Enhanced Safety & Compliance** – Implements industry best practices, reducing risks and ensuring adherence to international safety and environmental standards.
- **Cost-Effective Logistics Solutions** – Streamlines offshore logistics and supply chain processes, helping clients reduce operational costs and improve efficiency.
- **Expert Guidance & Support** – Offers strategic insights and operational expertise, assisting clients in navigating complex maritime regulations and logistics challenges.
- **Reliable & Transparent Services** – Focuses on proactive communication, real-time updates, and seamless coordination to enhance customer satisfaction.
- **Capt. Anoop's deep industry knowledge, hands-on leadership, and commitment to continuous improvement drive toward operational excellence, safety, and efficiency. His focus on customer satisfaction and personalized service ensures that every client receives innovative and reliable logistics solutions, tailored to meet their unique needs.**

Our Team – Sales Advisor Board

Manoj Pillai is a veteran sales professional with extensive experience across key functions such as Key Account Management, Sales Management, Channel Management, and Business Development.

His expertise extends to the Freight Forwarding, Logistics, and Courier industries, where he has successfully set up and turned around multiple businesses from scratch.

With a career marked by cross-functional collaboration, Manoj has worked with diverse teams and roles, bringing a unique perspective to each project. He is particularly skilled in training and coaching sales support teams, ensuring they are equipped with the tools and knowledge needed to excel.

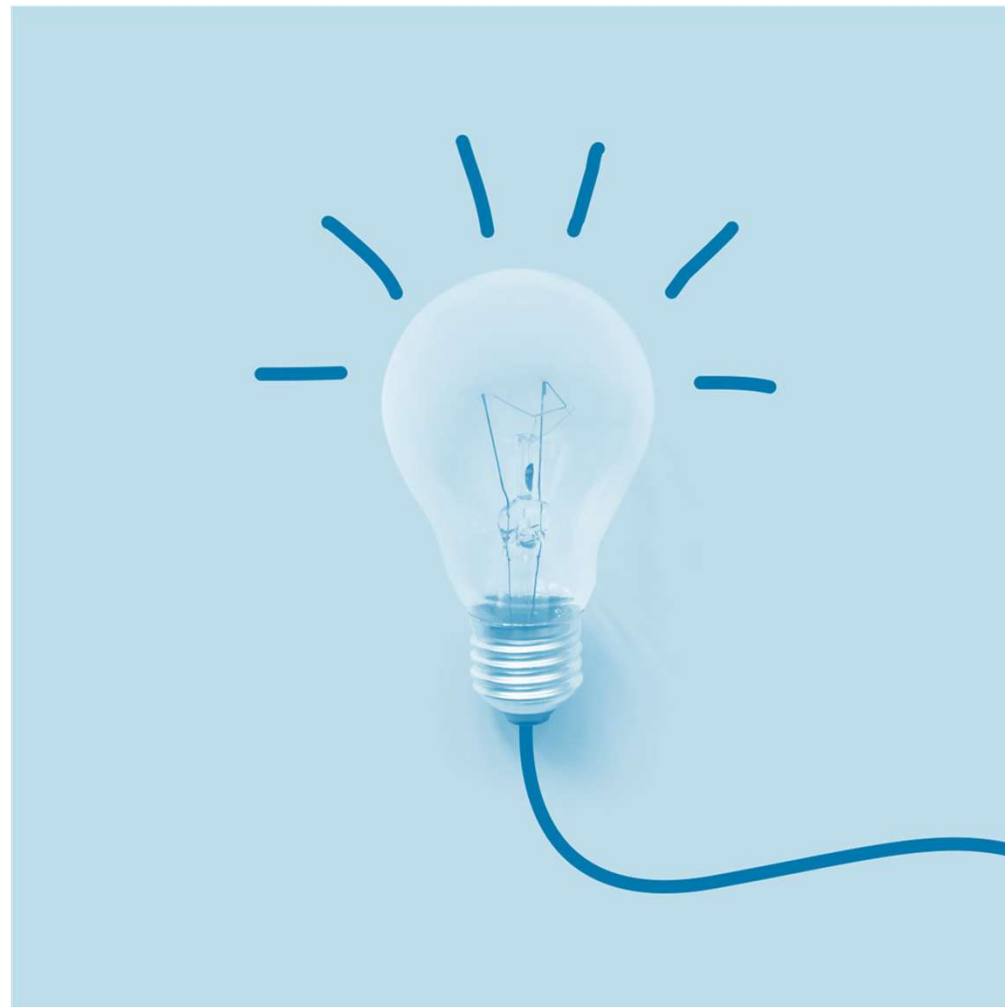

Manoj's global experience includes working across various regions and internal verticals, fostering a deep understanding of different markets and cultural dynamics. His ability to navigate and integrate these differences has been a significant asset in his career, driving success and innovation in each endeavor.

Throughout his professional journey, Manoj has demonstrated a consistent ability to achieve remarkable results, making him an asset to any organization looking to enhance their sales and business development capabilities.

Why Choose Us?

- Reliability and efficiency
- Global reach and expertise
- Commitment to customer satisfaction

OUR OFFERING

The Problem

- **Challenges Faced by SMEs and MSMEs:**
